Subject: Recognition of Certificates/Qualifications of ITIs upgraded as Centre of Excellence (COE) and its acceptance for the purpose of employment in the Railways.

Sir/Madam,

This has reference to your Office Memorandum No.2012/E(RRB)/3/2 dated 30.04.2012 on the above subject. The training programme offered under COE Scheme has not been directly equated with training programme offered under conventional pattern of Craftsmen Training Scheme. However, the skills acquired in the respective sectors under COE schemes are almost be same/not less than the skills acquired in the similar trades of ITIs. Keeping in view the above fact the qualification / certificate submitted by the candidates have been matched with the required qualifications mentioned in the Employment notice No. 01/2010 and the same has been annexed..

Yours faithfully,

(Anita Srivastava)

Deputy Director of Training
