**ANSWER**

**MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT  
(SHRI UPENDRA KUSHWAHA)**

(a) to (d) A proposal for enhancement of tuition fees was moved by Kendriya Vidyalaya Sangathan to its Board of Governors for approval. However no decision is taken on the matter.

(e) As per the codal provisions contained in the Accounts Code for the Kendriya Vidyalayas (KVs), the Sponsoring Project Authorities are at liberty to apply a differential fee structure in their sponsored KVs, if they so decide.

Three KVs viz Steel Plant, Visakhapatnam, Panchgram and BHEL Jagdishpur have enhanced the fees to augment their internal receipts for meeting the committed expenditure. Details are as follows:-

1. **KV Steel Plant, Visakhapatnam:** An increase of Rs.100 per month in the form of Project fees for Project students and Rs.350 per month (average) for non-Project students has been introduced by the project authority.
2. **KV, Panchgram:** An increase of Rs.500 per month in the form of development fees/Project Fees for both Project students and non-Project students has been introduced.
3. **KV, BHEL Jagdishpur:** An increase of Rs.927 per month (average) for BHEL students and Rs.1617 per month (average) for non BHEL students has been introduced by the Project Authority.
