**Subject:- Generating long term fund through CGEGIS.**

Sir,

With due regards, your kind attention is invited to the prevailed circumstances caused by spreading of COVID-19 pandemic in the country and its disastrous impact on economic activities of the country. The whole country has been put under lock down for more than one month and economic activities has come to a standstill. None can forecast of further extension of this havoc.

Economic activities are backbone of every country and the only measurement which decides the position of a country at development scale. Further, it also plays a crucial role in uplifting the living standard of the citizens. There has always been a great role of the Government in boosting the economic activities.

At present time, when the whole economic activities have been hampered except a few, it requires a huge support from Government especially financial support so as to boost the cycle of demand and supply and provide employment at a large scale and relief to the affected citizens. The Government needs a massive amount of fund/money for above mentioned purpose.

In this regard, a suggestion is submitted to your good self for enhancement in monthly subscription of CGEGIS as per 7<sup>th</sup> CPC recommendations which may prove a tool for Government in availing fund.

As per data on strength of Central Govt. Employees (as on 01.03.2018) submitted by Hon'ble MoS, Dr.Jitendra Singh in the Lok Sabha on 27.11.2019 in response to an unstarred question No-1497, total amount of monthly subscription under CGEGIS is as under-

Category	Group-A	Group-B (Gazetted)	Group - B ( Non Gazetted)	Group-C	Total
Strength	104036	101936	139775	2773209	3118956
Monthly Subscription(Rs)	120	60	60	30	—
Total( in Rupees)	12,484,320	6,116,160	8,386,500	83,196,270	1,10,183,250

contd....2

If the subscriptions of CGEGIS are increased as per the recommendations of 7<sup>th</sup> CPC( PI refer Para 9.3.6 of 7<sup>th</sup> CPC report) the new figures will be as under-

Category	Group-A	Group-B (Gazetted)	Group - B ( Non Gazetted)	Group-C	Total
Strength	104036	101936	139775	2773209	3118956
Monthly Subscription(Rs)	5000	2500	2500	1500	-
Total( in Rupees)	520,180,000	254,840,000	349,437,500	4,159,813,500	5,284,271,000

In this way, we find that excess collection through this medium will be **Rs 5,174,087,750/- per month**( more than five hundred crore as per existing figures).

It may play a little but key role for the Government to come through with flying colours against battle with COVID-19.

Therefore, you are requested to look into the matter and take necessary action in this regard.

Thanking you,

Yours truly
